Mr. Steven Garfinkel
Director, Information Security
Oversight Office (Z)
General Services Administration
18th & F Streets, N.W.
Washington, D.C. 20405

Dear Mr. Garfinkel:

In response to your 2 April 1982 letter to the Director of Central Intelligence, forwarded herewith are the Agency's comments on your draft implementing directive for Executive Order 12356. Each of these comments is keyed to the page number and section of the draft directive.

With respect to the proposed changes, we are particularly interested in eliminating arbitrary time limitations imposed by the directive on the mandatory review process. The time limits specified in the draft directive are totally unrealistic in terms of the Agency's available resources.

If you have any questions regarding these comments, please feel free to contact me or [redacted] Director of Information Services. [redacted] was responsible for coordinating the Agency response and can be reached on [redacted].
